Sir:

Pursuant to Rules 97 and 98 and in compliance with Rule 56, Applicant hereby makes of record the items listed on the attached Form PTO/SB/08A. Because the Office has waived the requirement under 37 CFR 1.98(a)(2)(I) for submitting a copy of each cited U.S. patent and each U.S. patent application publication for all U.S. national patent applications filed after June 30, 2003 and for all international applications that have entered the national stage under 35 USC §371 after June 30, 2003, copies of the U.S. Patents are not being provided.

None of these items disclose the inventive concepts claimed in the subject application.

This Second Supplemental Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits so no fee is required. Furthermore, no item of information contained in this Second Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and no item

of information contained in this Second Supplemental Information Disclosure Statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of this Second Supplemental Information Disclosure Statement.

However, should there be any additional fees or any overpayments associated with this document, the Commissioner is hereby authorized to credit or charge our Deposit Account No. 08-2789 in the name of Howard & Howard Attorneys, P.C.
